**February 2009**

## ***1/4" DIAMOND POLISHED BEVEL TEMPERED GLASS***

We request that all orders for the **Princess® Deluxe Series** enclosures be placed in writing. All orders must be placed via fax or by mail. Orders will not be placed until the appropriate Style-rite measuring form is received with all of the appropriate dimensions.

Style-rite is not responsible for any inaccuracy in the measurements supplied to us.

Style-rite is not responsible for any personal injury or property damage that may occur when the unit is measured or installed at the customer location.

Orders built to customer specifications will require a 50% production deposit. The remaining balance is per our standard terms.

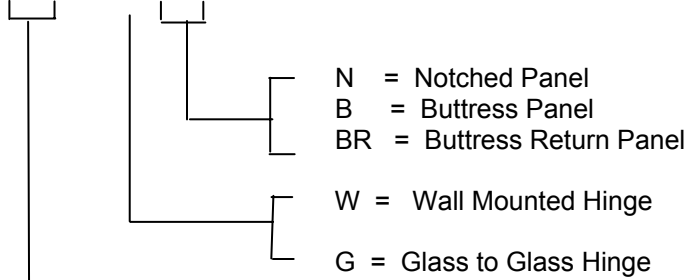

Orders cancelled during the production period will be pro-rated to the amount of work that has been done on the enclosure including material, labor and custom ordered glass charges.

Style-rite extends to the original consumer purchaser a 3 year limited warranty from the date of purchase on all Style-rite fabricated tub and shower enclosures against defects in material and workmanship. Any enclosure, which proves to be defective under normal use during the warranty period, will be at Style-rites option to repair or replace with a new or improved part. Style-rite is not responsible for labor, installation costs or shipping charges for the repair or replacement of the defective merchandise. This warranty does not cover defects caused by: improper installation, alteration, misuse or misapplication, maintenance, careless handling, use of harsh chemicals, abrasives, discoloration, or stains due to improper water chemistry. Brass finishes including but not limited to towel bars and pulls are not warranted against discoloration or tarnishing due to the inherent characteristics of brass. A coating of Emron or lacquer is applied to brass hardware that helps to protect against discoloration or tarnishing. Except as provided herein, Style-rite makes no warranties either expressed or implied, as to any matter whatsoever including the condition of the merchandise or fitness for a particular purpose. Any warranty implied by law and not effectively excluded by this warranty, is limited to the duration and remedies of this warranty. In no event shall Style-rite be liable for consequential or incidental damages. Glass is not warranted against breakage.

Style-Rite of America®, founded in 1953, is a premier manufacturer of framed and frameless tub and shower enclosures. Style-rite utilizes the finest materials and hand craftsmanship in the industry, giving the customer a superior product.

## **GLASS CHARACTERISTICS**

**NOTE:** TEMPERED GLASS MAY SHATTER WITHOUT ANY APPARENT CAUSE. ALTHOUGH BREAKAGE IS VERY RARE, WE CANNOT BE RESPONSIBLE FOR THIS AS ALL MANUFACTURERS OF TEMPERED GLASS DO NOT GUARANTEE AGAINST THIS OCCURRENCE.

**TEMPERED GLASS TOLERANCES:** STANDARD ALLOWABLE MANUFACTURING TOLERANCES FOR FLATNESS, LOCAL KINK OR WARP IS 1/16" PER LINEAL FOOT.

**TEMPERED GLASS:** GLASS IS MANUFACTURED BY A ROUGH ROLLED PROCESS. TEAR DROPS, TEAR STREAKS, BUBBLES, BURN MARKS, ETC., ARE PART OF THE CHARACTERISTICS AND NATURE OF THIS TYPE OF GLASS. THIS MATERIAL IS PURCHASED SUBJECT TO THESE CONDITIONS AND IS NOT TO BE CONSIDERED DEFECTIVE.

# **SPECIFICATIONS**

## **STYLE-RITE<sup>®</sup> WALL AND GLASS TO GLASS MOUNTED HINGED HEAVY GLASS ENCLOSURES**

- GENERAL:** HINGED HEAVY GLASS ENCLOSURES shall be manufactured by STYLE-RITE OF AMERICA<sup>®</sup>, INC., CLIFTON, NJ.
- GLAZING:** All enclosures are conforming to ANSI Z97.1.
- GLASS:** 1/4" thick safety glass, conforming to ASTM C1048 FT, complying with Class 1 clear, quality Q3 glazing select. Style-rite reserves the right to substitute Laminated Safety Glass instead of Tempered Glass due to the fabrication limitations of tempered glass. Custom glass in optional colors and patterns are available; please consult Style-rite for these options.
- ALUMINUM:** Alloy 6063 or 6463 tempered to T-5, application dependant. Finish is Bright anodized. Colors available are clear anodized (chrome), Gold anodized (brass) and Brushed Nickel anodized.
- HINGES:** Forged brass and machined. Internal components in the hinge are 300 series stainless steel guaranteeing product longevity. Hinge finishes are Chrome, Brass, Brushed Nickel. Other finishes are available please consult Style-rite.
- MEASURING:** Measuring after finished walls are the responsibility of the installer. The installer will record the dimensions on a Style-rite measuring form or supply a sketch showing all dimensions. Style-rite will order the glass and fabricate the unit accordingly. Style-rite will not be held responsible for errors in the measurements supplied by the installer.
- FABRICATION:** The components supplied will be the smallest possible commercially available. Style-rite will supply a clear polycarbonate strike jamb, a dual durameter "T" wipe combination drip pan on the door bottom and a clear translucent dual durameter "L" seal on the hinge side of the door. These seals are normal products in the shower door industry that will reduce the water leakage through the unit. This does not guarantee a waterproof seal.
