### **1/4" DIAMOND POLISHED BEVEL TEMPERED GLASS**

We request that all orders for the **Princess Series** enclosures be placed in writing. All orders must be placed via fax or by mail. Orders will not be placed until the appropriate Style-rite measuring form is received with all of the appropriate dimensions.

Style-rite is not responsible for any inaccuracy in the measurements supplied to us.

Style-rite is not responsible for any personal injury or property damage that may occur when the unit is measured or installed at the customer location.

Orders built to customer specifications will require a 50% production deposit. The remaining balance is per our standard terms.

Orders cancelled during the production period will be pro-rated to the amount of work that has been done on the enclosure including material, labor and custom ordered glass charges.

Style-rite extends to the original consumer purchaser a 3 year limited warranty from the date of purchase on all Style-rite fabricated tub and shower enclosures against defects in material and workmanship. Any enclosure, which proves to be defective under normal use during the warranty period, will be at Style-rite's option to repair or replace with a new or improved part. Style-rite is not responsible for labor, installation costs or shipping charges for the repair or replacement of the defective merchandise. This warranty does not cover defects caused by: improper installation, alteration, misuse or misapplication, maintenance, careless handling, use of harsh chemicals, abrasives, discoloration, or stains due to improper water chemistry. Brass finishes including but not limited to towel bars and pulls are not warranted against discoloration or tarnishing due to the inherent characteristics of brass. A coating of Emron or lacquer is applied to brass hardware that helps to protect against discoloration or tarnishing. Except as provided herein, Style-rite makes no warranties either expressed or implied, as to any matter whatsoever including the condition of the merchandise or fitness for a particular purpose. Any warranty implied by law and not effectively excluded by this warranty, is limited to the duration and remedies of this warranty. In no event shall Style-rite be liable for consequential or incidental damages. Glass is not warranted against breakage.

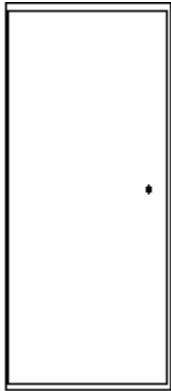

Style-Rite of America<sup>®</sup>, founded in 1953, is a premier manufacturer of framed and frameless tub and shower enclosures. Style-rite utilizes the finest materials and hand craftsmanship in the industry, giving the customer a superior product. The **Princess Series** of sliding tub and shower enclosures incorporate the new SR Building Block system<sup>™</sup> and guidance system. The SR Building Block System<sup>™</sup> consists of interlocking extrusions, which allow flexibility and design options.
